INFORMATION FOR THE PROSPECTIVE FOSTER FAMILY

Dogs adopted through Greyhound Pets of America/Louisville Chapter, will come to their foster home already spayed or neutered, with a DHLLP - PARVO inoculation, a rabies shot, a fecal analysis, teeth cleaned and a heartworm check, all performed by a licensed Veterinarian. ***

GPA will provide food and any supplies and will be responsible for all reasonable medical expenses needed during the foster period.

***Concerning heartworm: If our Veterinarian's heartworm check shows a dog is positive for heartworms, Greyhound Pets of America/Louisville Chapter will not place the affected dog in a foster or pet home. We cannot, in good faith, place a dog in a foster or adoptive if the animal will need the prolonged and expensive medical care that heartworm treatment involves.
